April 17, 2012

TO THE KIND ATTENTION OF ALL ISSF MEMBER FEDERATIONS

INVITATION

Dear Mr. President,

The International Shooting Sport Federation and the Organizing Committee are pleased to invite you to participate in the

1. ISSF RUN AND SHOOT EVENT 2012
Air Rifle

taking place on Saturday, June 16th, 2012 at the Shooting Sport Center of Suhl, Germany.

ISSF Run and Shoot is an exciting combination of air rifle target shooting and middle distance running that requires participants to develop accurate rifle shooting skills and physical fitness. The ISSF is developing Run and Shoot as a *Sport for All* discipline that ISSF National Federations can use to promote greater participation in the shooting sports, especially by youth.

The competition in Suhl is a special introduction of the ISSF *Sport for All* and Run and Shoot program and the ISSF will charge no entry fee. There are four age categories for male and female athletes with age groups starting with 14 and under students and continuing to 21 and older seniors.

All forms and information can be found on the ISSF website at www.issf-sports.org or at the ISSF Online Registration System <http://entry.issf-sports.info>.

We hope your National Federation will inform your members about this new competition and encourage as many of them as possible to participate and learn about how you can start Run and Shoot events in your country. We look forward to welcoming you in Suhl!

Yours sincerely,

Olegario Vázquez Raña
